

Ask why...

- **41% of Canadians using food banks are children.**
- **There are over 1.2 million Canadian children living in poverty.**

FACTS

- **Children who live in poverty suffer poorer health**
- **Children who grow up in poverty are likely to be poor later in life.**

Keep kids out of the foodbank:

- Vote for a living wage**
- Vote for increased social assistance rates**
- Vote for affordable housing**
